

Taxi Fleet Criteria

Please read and apply the following criteria to any taxi fleet presentations sent to the broking desk. You may also submit any additional market information which you may think relevant but isn't required on the quote sheet to support your presentation.

3 to a maximum of 150 vehicles.

All drivers must be named and have held a full UK licence for a minimum of 2 years, and have held a taxi badge for a minimum of 12 months. Any minor exceptions to this must be discussed with us prior to submission.

A minimum of 2 years insurers confirmed claims experience is to be supplied when requesting a quotation – we will also consider fleets which have been NCD rated. Please provide full NCD details with a claims payment breakdown where applicable.

The following licensing authorities are the only exemptions from this scheme:-

Sefton	Liverpool	Knowsley	St. Helens
Halton	Wigan	Bolton	Hyndburn
Blackburn with Darwen	Rossendale	Burnley	Bury
Oldham	Rochdale	Trafford	Salford
Manchester	Tameside	Calderdale	Pendle
Bradford	Leeds	Kirlees	

The CompuQuote fleet quotation form **must** be used for all submissions and completed **in full**. Incomplete quotations will not be processed.

Completed quotation forms should be sent to compuquote@bollington.com along with confirmed claims experience/NCD details.

All requests for cover to be sent by email to compuquote@bollington.com with the subject heading '**Cover required**' followed by the fleet/client name.

The email must include the following:

- ✓ Risk name
- ✓ Inception time/date
- ✓ Premium
- ✓ Level of cover
- ✓ Full vehicle schedule as at inception
- ✓ Copy counterpart driving licences to be attached for ALL drivers along with Taxi badges for ALL drivers, and the V5C documents for the vehicles to be covered

Completed proposal forms to be sent to 'compuquote@bollington.com' within 14 days of inception.

Certificate, schedule including endorsements and proposal form will be emailed to contact address supplied.

A temporary certificate valid for 30 days will be issued until all required documents are received, at which point a full annual certificate will be provided.

Vehicle amendments for MID update must be notified to ourselves promptly. We will also store these and adjust the premium on each MTA as required.

Where a policy is cancelled, any return premium due will only be issued after the certificates of insurance have been returned to us and would be calculated on the following scale (from the date the certificates are returned):

Expired Period	Percentage of Annual Premium Payable
1 month	25%
2 months	33%
3 months	41%
4 months	50%
5 months	58%
6 months	66%
7 months	75%
8 months	83%
9 months	91%
12 months	100%
